

Integrative Education Level 2 Programme

Crossfields Institute believes every child has the potential to enjoy learning. The positive implications of a fulfilling learning experience is immeasurable. The Integrative Education qualifications provide the infrastructure to encourage student curiosity, revealing interconnectedness between subject areas that have been traditionally taught separately. This approach fosters genuine knowledge attainment and retention. It also develops students' analytical and evaluation skills, nurturing their critical thinking ability

Four Qualifications Available:

1. Award
2. Certificate
3. Diploma
4. Extended Diploma

Qualifications are graded 1-9 per module, Pass/Merit/Distinction. No exams. All portfolio-based.

Qualifications

Level 2 Integrative Education Award

This qualification gives the students the opportunity to explore an area of interest to them. With the support of DHECH mentors, the student is encouraged to proactively lead their learning according to their needs and interests. Equivalent to 1 GCSE.

Level 2 Integrative Education Certificate

This qualification incorporates the Independent Project above and two additional modules: Creative Thinking Skills & Personal and Social Learning Skills. Both these modules can be evidenced through the Independent Project and through formal or non-formal learning activities happening at DHECH. The Certificate is equivalent to 3 GCSEs in total.

Level 2 Integrative Education Diploma

This qualification consists of 4-7 modules. This includes the modules mentioned above and then students can choose between modules such as Natural Sciences, Art, Craft & Design, Digital Futures, Modern Foreign Language, Physical Education, Movement, Global Awareness, Performing Arts.

The Extended Diploma consists of 8-10 modules chosen from the choices above and is equivalent to 8-10 GCSEs.
