

## Exploring Your Independent Project Ideas

Use this page to explore and compare a few possible ideas for your Independent Project. Having more than one idea helps you think carefully about what will work best for you over a longer period of time.

Try to be honest and reflective. Your ideas can change and develop as you discuss them with your mentor.

---

### Project Idea 1

Why this could be a good project for me:  
*(interests, skills, opportunities, motivation)*

What might be challenging about this idea:  
*(time, resources, confidence, skills to develop)*

---

### Project Idea 2

Why this could be a good project for me:

What might be challenging about this idea:

---

### **Project Idea 3**

Why this could be a good project for me:

What might be challenging about this idea:

---

### **Chosen Project Idea**

After considering the options above, the project idea I would like to take forward is:
